

SICK OF THE SWEET SMELL OF SUMMER FREEDOM? WE DIDN'T THINK SO.

Summer road trips are the best.
**But before you get lost in the
sunset, don't forget about the
journey toward your career.**
**You began the Ferris application
process; why not complete it and
start classes this fall?**

Your application is almost complete, but we are waiting anxiously for you to hit that submit button! Once you do, you will need to submit a few important documents as well. This may include an official college and/or high school transcript, test scores or other information.

If you aren't sure what items are needed, contact your local Ferris office. Go to ferris.edu/statewide and choose your location for the phone number or email address of the office closest to you.

Send your official transcripts to: Ferris State University
